Grand Knight's Report

Once again I would like to congratulate the council on their achievements. We have been recognized by the State as Runner-Up Council of the Year in our division, and we received the Supreme award for our Church Program activities which included the Project Moses 10 Commandment campaign and dedication.

It is great to be recognized for our efforts, and it is also great to celebrate our achievements; but more important than that is the work that we do, and the example that we show to others. Our programs and activities provide much needed benefits to many worthy groups and organizations, and our example to others speaks loudly of our dedication to a Christian life and our allegiance to Jesus Christ, our Lord. Awards are nice, but more important are our efforts to help others, and the promotion of our beliefs through our actions.

I have been approached by many other KofC Councils in the state and they are in awe of our efforts and our council participation. I have been approached by other Grand Knights in the state and they want to know how we do it, what is our secret? I tell them, good and willing Knights are the key. You all deserve a pat on the back for that. Good Work!

This is the last GK report for my term so I would like to recognize a few people whose efforts made my job easier. *Page 3 >*

Summer Steak

Beautiful weather and the promise of a steak dinner contributed to the record turnout at our summer picnic. Thanks to Manny Gallardo for providing the steaks, and Dave Densler for taking over the hosting duties from Terry Ryan. And Zierke... for not burning the steaks.

Grand Knight's Report continued

Bob Kelty, our FS; his help and guidance have been key in our Councils success from the beginning. Bob had agreed to stay on as FS, so thank him when you get an opportunity. Jim Petrzilka, our Deputy GK and soon to be GK; Jims' dotting of the i's and crossing of the t's on all of the forms that needed to be submitted got us the awards and recognition from state. Steve Bieber, our communications chair; Steve keeps us all informed and on the same page and his newsletter represents the council well. Stan Fraas and Tom Albin, our past GKs; their advice and continued help in the Council were of great benefit. And lastly all of the other officers, chairs, and co-chairs; you guys handle your duties like a well oiled machine, thank you. Thanks to all of you for making my term as GK easier and enjoyable.

Remember, there will most likely come a day, when the awards and recognitions may be sparse, but as long as our effort and example are still there, we have accomplished our goal.

It has been my pleasure being your Grand Knight,
Craig Arent

The Schmit
Family

Dave and Maggie Schmit have been members of St Pats for around 30 years.

This September they will celebrate their 50th wedding anniversary. Congratulations!! Dave is retired from Nash Finch after 23 years of service, and Maggie retired from Dist.145 after 30 years.

Having 5 children and 8 grandchildren with one on the way, keeps them pretty busy. Dave helps with ushering duties, while Maggie is a member of Altar Society, Prayer line, and Bible studies.

Dave is well know for his superior woodworking abilities, making and donating cedar chests for various fundraisers. THANK YOU DAVE!..

The Schmits enjoy playing cards and family gatherings.

FROM THE FIELD AGENT

Have you ever thought of buying money on the installment plan? Most of us have bought, and are buying several things on the installment plan. It is the accepted way to buy many large items—a home, a car, or other expensive household items. Really, installment buying gives the average working persona chance to have many of the things not otherwise affordable. But—and it's a big important "but" – if you default on your payments, you may lose your equity. Isn't that right? One of the things you can buy, and still retain your equity if you have to default on payments, is cash value life insurance. Cash value life insurance means money for the future needs. It can be purchased on the installment plan and come back in the form of cash to you or your family when it's needed most. Call me so we can visit about money for your future.
